

Evasion Weekend: 3-night Siem Reap

September – December 2017

Khmer Ladies

Destinations: Cambodia (Siem Reap)

Siem Reap

Nestled in the northwest corner of Cambodia is the quiet city of Siem Reap. Bordered by lush rice paddies, swaying palms, sleepy riverside villages, and water-wading buffalos, this tourist-friendly locale is best known for its proximity to the ancient Khmer temples of Angkor. Boasting colossal stone gateways, crumbling royal cities, antiquated temples, and hectares of history, this world-renowned, magical destination is truly one of a kind.

At a Glimpse

Further north, ride through the world-famous temples of Angkor learning all about these UNESCO world wonders, explore the charming Siem Reap countryside with a totally unique mode of travel, and take to the skies with an unforgettable bird's eye view over the former Khmer empire. With plenty of exploration, delicious food, riveting activity, and unique cultural visits under your belt.

Voyale Experience Highlights

Enjoy unprecedented views of the iconic Angkor Wat at sunrise or sunset in a hot air balloon

Get an expert's view on the magnificent story of Angkor Wat 🗨️

Horseback riding with picnic lunch in Siem Reap Countryside 🗨️

Enjoy a fantastic dining experience at Marum Restaurant, hosted by the owner himself, Kaliyan Mith; an NGO that has been working with street children and other marginalized youth since 2005 in Siem Reap 🗨️
