

Evasion Weekend: 3-night Shanghai
September – December 2017

An above view of Shanghai, China

Destinations: China (Shanghai)

China

A destination that has been alluring travelers for millennia. From its ancient culture and rich traditions to rugged landscapes and contemporary appeals, the nation provides a rich tapestry of offerings to the adventurous at heart. Within its staggering 9.6 million square kilometers, China houses some of Asia's most unique cities, some of the world's most celebrated archaeological finds and an unabashed authenticity that has the uncanny ability to transport one back in time.
